NFL Fullback Jason Cabinda Brings Message of Service to PHS

The PHS Freshman Seminar Program recently hosted NFL fullback, Jason Cabinda at the high school. Cabinda's message of community service and philanthropy reached the majority of PHS students in interactive sessions held during gym periods. Cabinda was the Detroit Lions 2021 nominee for the NFL's Walter Peyton Award, considered the league's most prestigious honor, recognizing NFL players who exhibit excellence on the field, and whose passion to impact lives extends beyond the game.

With Freshman Seminar students currently focusing on dynamic citizenship and engaging in school-based service projects and discussions about activism, Cabinda's message was well timed and well received. His own philanthropic work includes off-season weekly visits to Davison Elementary-Middle School in Detroit, where he partners with other agencies to provide supplies, books, and STEM activities to the students. He shared his personal mantra, the 1% Rule, with PHS: "Always take the time and put the effort in to get 1% better, to get 1% closer to what your goal is." He also asked the students to do something for him: "When you guys see my mom (PHS World Languages Teacher Natalia Cabinda), make sure you say hello and take care of her for me. I'd appreciate that. I wake up every day with a lot of gratitude for the sacrifices my parents made and the opportunities available to me." Thank you to Supervisor of Special Projects Noel Aprile and Athletic Director Rob Harmer for spearheading this event.

PHS Alum Eric Young Gives Back in a Big Way

The PHS Baseball Team took an unforgettable trip to the Washington Nationals Ball Park in Washington DC, where they were hosted by PHS Alum Eric Young, Jr. Young was selected by the Colorado Rockies in the 2003 draft, straight from PHS. He spent ten years in the majors, including one season as the stolen base leader, and currently serves as the Nationals' first base coach. Our PHS Chiefs had an incredible opportunity to learn from the pros, as they met with Young before the game and watched closely as the team warmed up. They learned first-hand lessons about the importance of taking one day at a time, and to use each mistake to become a better player. They also learned a lesson in generosity and giving back, as Eric Young, Jr. continues to set an example and act as a role model for our current students. This day and experience is one these students will remember always. Thanks to Coach Rob Stoddard for ensuring our students could take part in this opportunity.

Quibbletown Goes Green

Quibbletown's National Junior Honor Society hosted a "Go Green" week in April. "Spirit Week" style activities included *Wearing Green to Go Green* and *Bring Your Reusable Water Bottle Day*. Throughout the week, students participated in the *Reduce, Reuse, Recycle, Redecorate Your Door* contest. Each homeroom brought in recyclable materials to decorate their classroom door in the theme of "Go Green and Recycling." All the doors were creative and thoughtful, with three named as winners of the contest. Congratulations to

Ms. Crick's Homeroom, Ms. Madden's Homeroom, and Mr. Zrebiec's Homeroom – with the best all-around, Ms. Madden's!

SpongeBob Continues to Shine

The PHS Production of *SpongeBob* was a sold out success at home, and continues its success with three nominations and one honorable mention in the Paper Mill Playhouse Rising Star Awards, the premiere awards program for NJ Theatre. Congratulations to Najm Muhammad as SpongeBob, Jackson Bartle as Perch Perkins, Janet Van Allen, Patti Bell, Christie Hall for Costuming Achievement, and Eric Hall for Outstanding Educator. Piscataway will be cheering you on in June when final awards are announced!

Piscataway Donates More Than 10,000 Pounds of Food

All Piscataway Schools participated in the Spring 2022 Replenish Food Drive to assist Middlesex County families experiencing food insecurity. In total, our students and staff donated more than 10,000 pounds of food to this worthy cause. Leading this impressive act of giving was Grandview School, who donated 2950 pounds of food to the drive. Joining Grandview as top contributors were Quibbletown, Eisenhower, ML King, and Children's Corner Preschool. Thanks to all who contributed a can or box of food to help others. Collectively, we can do so much.

PHS FBLA Students Are Heading to Nationals

PHS FBLA had a fantastic experience at the first in-person NJ FBLA State Leadership Conference since March 2019: 38 of the 55 attendees finished in the top ten of their respective events. As a whole, the chapter received three awards for excellence in Website Design; PHS's contribution to the State Fundraiser: Stories for Success; and accumulation of the third-most points in the Passports of Progress challenge. The chapter also competed in three chapter events, with Joanna Tan and Devanshi Patel placing first in Scrapbook; Swapneel Board, Rahi Patel, and Shivam Patel placing second in the Community Service Project; and Sascha Nawab, Upashana Suresh Kumar, and Ethan Vito placing third in the American Enterprise Project. The team's success continued as 21 PHS students qualified to compete at the National Leadership Conference in Chicago this summer. An additional 17 PHS students were finalists. Congratulations to our FBLA students, and to their advisors, Greg Michaels, Barry McCombs, and to Sarah Coppola, co-advisor Emerita and NJ FBLA Volunteer of the Year!

Knollwood Practices the Three Rs

Students in Mrs. Alligier's second grade class at Knollwood School celebrated Earth Day by reading and researching different ways to help clean and protect the earth. The students practiced ways to help save the planet at school as well as at home. They also created posters and crafts made from recyclables, practicing the 3 R's - Reduce, Reuse, Recycle. The class had a fantastic time learning different ways to keep our earth clean, not just on Earth Day but every day, and is now planning a garbage-free picnic lunch to celebrate the end of the school year.

Randolphville Students Collaborate

Randolphville second graders learned about topics such as penguins, plants, and the human body as part of their nonfiction reading units of study, and then collaboratively created visual representations that incorporated the information they had learned. Students enjoyed creating and working together to further develop their thinking and deepen their understanding!

PHS Students Take Financial Literacy Workshop

On April 27, PHS students in Barry McComb's Personal Finance Class learned directly from Charles Schwab finance professionals in a workshop coordinated through Jersey Cares. Students learned about budgeting, the factors that go into making financial decisions, and how to create a budget specific to a student's personal spending. The interactive workshop allowed time for students to ask questions and to have a dialogue with the Charles Schwab volunteers. Students left the workshop armed with financial knowledge that can be applied throughout their lives. Our partnership with Jersey Cares continues to reap benefits for our students in both the many times volunteers from several corporations have helped to beautify our schools, and in STEM, physical fitness, and now financial literacy workshops. Thank you Jersey Cares and Charles Schwab!

AFJROTC Competes and Wins

The Piscataway AFJROTC Drill Team practices each week in preparation for drill competitions, parades, and events held throughout the school year. This year's cadets recently participated in their final competition of 2021-2022 school year at Bridgeton High School. The team competed in four events and brought home three trophies: Academic Presentation - first place; Unarmed Dual Exhibition – first place; Armed Dual Exhibition – third place. Congratulations to the drill team, their commander, Richard G. Kerr, Lt Col, USAF (retired), and especially this year's graduating seniors. Your teamwork, practice and dedication have paid off!

Arbor Students Launch Rockets

Dr. Joseph Zielinski, pharmacist with Novartis Pharmaceuticals, visits Mrs. Gerum's Arbor fourth grade class a few times each year. During his visit in December, the students learned about the four forces of flight, Sir Isaac Newton, the American space program, and the differences between real rockets and model rockets. After the instruction, students applied the information and built their own rockets. On April 27, 2022, Dr. Zielinski returned for the rocket launch. The staff, the students, and the rockets all had a blast!

Middle School Arts Enrichment Color Guard/Percussion

Middle School music students who plan to join marching band in high school have already begun to learn and practice new techniques and skills. In spring, Middle School Arts Enrichment includes classes in both Color Guard and Percussion. Students are learning marching band skills under the direction of the PHS Superchief staff and looking forward to Band Camp in the fall.

PHS Artists Awarded Honors
